

Your *Connect* with Canada

CELEBRATING **25** YEARS OF
TRANSPORTATION EXCELLENCE

WWW.TORUSFREIGHT.COM

When you connect with Torus, you truly connect with Canada and receive seamless service across our borders. We service all points in the USA and deliver directly to all required Canadian destinations.

Through our dedicated team of experienced customer service professionals, we provide flexibility, personalized care and cost effective transportation solutions. Our direct service approach reduces handling and improves transit times on LTL requirements. Our ability to match up equipment for truckload requirements has taken us from dry van to temperature control, flatbed and even heavy haul moves, with resounding success.

Through distribution centers in Toronto and Vancouver, we are well positioned to handle the storage, inventory control, pick and pack and movement of product to any point in Canada. Connect with Torus...Connect with Canada!
